BODY MEASUREMENT GUIDE

- A. BUST - Measure under your arms and across shoulder blades, around the fullest part of your bust. Hold one finger between body and tape.
- B. WAIST - Measure around your natural waistline while holding one finger between body and tape. This is the smallest part of your waist.
- C. HIP - Measure around fullest part of your hips while standing naturally.

BODY MEASUREMENT GUIDE

- A. CHEST - Measure under your arms and across shoulder blades, around the fullest part of your bust. Hold one finger between body and tape.
- B. WAIST - Measure around your natural waistline while holding one finger between body and tape. Measure over shirt at position your pants would normally sit.
