PROGRAMME LIST 2024

AUCKLAND INTERNATIONAL CAMPUS

WELCOME TO OPAIC

Recognising the demand for education tailored specifically to international students, in 2012 Otago Polytechnic partnered with Future Skills Academy and opened the Auckland International Campus (OPAIC).

OPAIC is a leader in quality, career-focused education. Employers love our work-ready, motivated and confident graduates.

Our campus has everything students need to succeed. We are located in a modern building on Queen Street, right in the heart of the main shopping and business area.

We have excellent facilities, including computer labs, a Student Hub where you can socialise between classes or meet with support staff, and a whole floor dedicated to extra academic support.

STUDY APPLIED MANAGEMENT

Our range of programmes opens you up to a variety of career paths. You'll learn current industry best-practice and gain vital practical experience through hands-on, project-based learning. You will graduate highly-capable, focused on solutions, and ready for the industry.

BACHELOR OF APPLIED MANAGEMENT

-  Level 7
-  February, April, July, October
-  Three years
-  \$25,000 (first year)

GRADUATE DIPLOMA IN APPLIED MANAGEMENT

-  Level 7
-  February, April, July, October
-  One year
-  \$25,000

POSTGRADUATE DIPLOMA IN APPLIED MANAGEMENT (BUSINESS MANAGEMENT)

-  Level 8
-  February, April, July, October
-  One year
-  \$30,500 (after study grant)

MASTER OF APPLIED MANAGEMENT (BUSINESS MANAGEMENT)

-  Level 9
-  February, April, July, October
-  18 months
-  \$45,750 (after study grant)

"The Industry Project quickly enabled me to gain practical experience in my industry and built my confidence to speak articulately."

Applied Management Graduate Rachit Kushwaha has been making his mark in New Zealand through his initiatives to help new migrants.

He chose OPAIC because of its hands-on approach to learning and its work-ready focus.

Rachit has gone on to achieve big things since graduating – working as a Lead Editor for a real estate company and starting New Zealand's first online show about immigrants - Behind the Dreams.

POSTGRADUATE DIPLOMA IN APPLIED MANAGEMENT (BUSINESS INFORMATION SYSTEMS)

- Level 8
- February, April, July, October
- One year
- \$30,500 (after study grant)

MASTER OF APPLIED MANAGEMENT (BUSINESS INFORMATION SYSTEMS)

- Level 9
- February, April, July, October
- 18 months
- \$45,750 (after study grant)

STUDY CONSTRUCTION

Qualified construction professionals are in high demand in New Zealand. We've developed our construction programmes in consultation with employers, industry and professional bodies to ensure you learn the skills that give you the advantage. You will graduate highly-competent and industry-ready. You'll be sought-after by employers.

NEW ZEALAND DIPLOMA IN CONSTRUCTION (CONSTRUCTION MANAGEMENT) OR (QUANTITY SURVEYING)

- Level 6
- April, July, October
- Two years
- \$25,000 (first year)

BACHELOR OF CONSTRUCTION (QUANTITY SURVEYING) OR (SITE MANAGEMENT)

- Level 7
- April, July, October
- Three years
- \$25,000 (first year)

"If you've learned about construction, you'll find a job easily, if you have a good attitude."

Graduate Suparajit (Gink) Laorutdecha says there's never a shortage of work in the construction sector and that's what makes it such a good industry to enter.

Gink completed the New Zealand Diploma in Construction (Quantity Surveying) at OPAIC. She's now working as a Quantity Surveyor at a painting and plastering company.

STUDY INFORMATION TECHNOLOGY

You'll learn specialist skills allowing you to work in a range of exciting roles that offer great financial reward and growth. Our programmes are current to ensure you are at the head of the IT industry and ready to make a real impact in the world. You will graduate solution-orientated, a design-thinker and future-focused.

GRADUATE DIPLOMA IN INFORMATION TECHNOLOGY

-  Level 7
-  February, April, July, October
-  One year
-  \$25,000

BACHELOR OF INFORMATION TECHNOLOGY

-  Level 7
-  February, April, July, October
-  Three years
-  \$25,000 (first year)

"One of the best parts about studying at OPAIC was the teachers."

IT graduate Karan Kikani says he received a lot of help from them, particularly during his mini-project, which he completed with travel company Travel Corner in his final study block.

One of his favourite areas of study was web development. He already had some web development experience and his study at OPAIC helped him expand on that knowledge.

After graduating he went on to work as a Web Developer at website design company Envision Creative.

STUDY ENGLISH

Choose our English Language programmes if you can use English with accuracy but want to prepare for higher-level academic study or employment that demands complex interpersonal communication. You'll gain advanced English language skills to read, write, speak, and listen. Your new skillset will make you an effective and confident communicator in English. You choose what's next, further academic study or straight into employment.

NEW ZEALAND CERTIFICATE IN ENGLISH LANGUAGE (ACADEMIC) (LEVEL 4)

 Level 4

 February, April, July, October

 16 weeks

 \$9,000

NEW ZEALAND CERTIFICATE IN ENGLISH LANGUAGE (ACADEMIC) (LEVEL 5)

 Level 5

 February, April, July, October

 16 weeks

 \$9,000

"I loved the context behind my NZCEL studies. My lecturers selected excellent resources which connected to my life and local and global issues."

Tianxiang (Shawn) Chen didn't realise how much he was learning in his New Zealand Certificate in English Language programme until he began his master's study.

He's now putting everything he learned about academic writing and critical thinking to use in his master's degree.

Thanks to his English studies, he now knows how to look at things from different perspectives, make an unbiased analysis, and evaluate evidence.

Our services outside the classroom

STUDENT SUCCESS

Our Student Success Team can provide advice and assistance on any issue, big or small, that comes up for students. This could be course-related, work-related, or personal. The team also organises orientation, graduation and other campus activities and events.

EMPLOYABILITY

Our vision is to develop New Zealand's most employable international graduates. Our Employability Team helps make students' transitions into the workforce as smooth as possible. They help with CVs and offer workshops, networking events, drop-in sessions, and one-on-one support. Staff also help students from certain courses find an organisation to work for during their industry placements.

LEARNING SUPPORT

The Learning Support Team can help with academic issues you face during your time with us. We have a learning support advisor and peer tutors who know about the courses you are studying.

They can help you with academic writing and referencing, English language assistance, and personalised study plans.

Please visit our website auckland.op.ac.nz for more information including entry requirements.
