**REFEREE REPORT**  
**School of Veterinary Nursing**

The role you will undertake in a veterinary clinic is as much about animals as it is a people orientated profession as much as an animal one. Whatever role a person holds in a veterinary clinic, including the veterinary nursing assistant, they need to be able to demonstrate excellent inter- personal skills and have an aptitude for working with people.

As part of the national entry criteria into all higher level programmes, all prospective students need to be able to demonstrate interpersonal skills, able to work and communicate with others.

Please complete the rating table using the following scale:

- 1. Does this very well
- 2. Is able to do this, but with effort
- 3. Has not displayed this to me.
