StudyLink >

*Fees are approximate, subject to change and exchange rates

Location	Dunedin
Duration	One year full-time; part-time not available
Delivery	On campus

Credits	120
Level	5
Start	February
Apply	Until start date

Take your beauty skills to the next level with this advanced, practical programme.

Graduates of this Diploma could find employment as a Beauty Therapist, Spa Therapist, Skin Therapist, Electrologist, Resort Therapist working on a cruise liner or could work within beauty retail. Alternatively, you could establish and run your own beauty therapy business.

During this programme, you will learn how to apply advanced skincare techniques, advanced hair removal techniques and be introduced to spa body treatments.

Practical, hands-on learning in our purpose-built, clinic setting will enable you to gain experience and confidence.

Entry requirements

- > New Zealand Certificate in Beauty Therapy (Level 4) or equivalent skills and knowledge, experience or qualification.
- > A First Aid Certificate (US 6400, 6401 and 6402, or equivalent).
- > If English is not your first language, you must provide:
 - > New Zealand University Entrance OR
 - > Overall Academic IELTS 5.5 with no individual band score lower than 5.0 (achieved in one test completed in the last two years), OR
 - > Acceptable alternative evidence of the required IELTS (see here for NZQA proficiency table and here for list of recognised proficiency tests).

If you need to improve your English Language skills, we offer a wide range of English programmes.

Please note: This programme contains an additional International Therapy Examination Council (ITEC) component. You must be 18 years or older to complete this part of the programme. For applicants under 18, you can complete the programme without this component.

Additional documentation

You must supply certified copies of proof of identity and proof of residency (where appropriate).

Selection criteria

Applicants will be selected on a first-come, first-served basis until the programme has reached full capacity.

Additional costs

You will be required to wear a uniform that consists of black trousers, black shoes and a black top.

You will study

Beauty Therapy Science (15 credits)

> Further anatomy and physiology study, along with an introduction to basic cosmetic chemistry

Advanced Hair Removal (20 credits)

> Techniques and trends including electrical epilation

Electrical Facial Therapy (15 credits)

> Applying practical techniques suitable for client's needs whilst learning about current trends in relation to the industry

Advanced Skin Care (20 credits)

> Applying practical techniques suitable for client's needs whilst learning about current trends in relation to the industry

Electrical Body Therapy (20 credits)

> Learning to apply these to meet the client's needs

Spa and Massage Therapy (10 credits)

> Learning to apply these to meet the client's needs

Student loans and allowances

Full-time **domestic students** of this programme are eligible for student loans and allowances (dependent on age and financial circumstances). Please visit the Studylink website for more information or phone 0800 88 99 00. It is important to apply for your student loan/allowance at the same time as you apply for this programme, due to the length of time Studylink take to process. Loan/allowance applications can be cancelled at any time if you decide to withdraw your programme application or if it is unsuccessful.

Disclaimer

While every effort is made to ensure that this sheet is accurate, Otago Polytechnic reserves the right to amend, alter or withdraw any of the contained information. The fees shown in this document are indicative ONLY. Both domestic and international fees are subject to change and are dependent on the development and implementation of Government policies. Please note that additional fees may from time to time be required for external examination, NZQA fees and/or additional material fees.
