Location	Central Otago
Duration	61 weeks across two years full-time (34 weeks during year one; 27 weeks during year two)
Delivery	On campus with industry placement in your second year

Credits	220
Level	4
Start	February
Apply	Until start date

There is a strong demand nationally and internationally for people who can veneer houses in stone and build stone features, and we can help you become a specialist in this field.

This hands-on programme gives you extensive training and work experience. You will gain the practical skills and knowledge required to work unsupervised as a stonemason.

Further career options may include site management, sub-contracting, business ownership, landscape architecture, sales and stone procurement, or sculpture.
