## Take that first step towards a career in IT.

IT is a global industry and the right qualification will create a whole world of opportunities for you. If you've decided that a career in IT is what you're after then this qualification is a great starting point.

On completion of this programme, you'll be ready to seek our entry-level roles in the IT industry or with further study, career possibilities include business computing, technical support, hardware, software, database, web development and much more.

Please note: Learners under the age of 18 cannot apply for this programme.

## Want to study face-to-face?

No problem. We also offer this programme at our Dunedin Campus

What will I learn?

Entry requirements
COVID-19 vaccination information
Pathways into the programme
Your workload
Programme structure
Course descriptions
Further study options
Career opportunities
Student loans and allowances
Recognition of prior learning
