Educators are always in demand and teaching skills are highly transferable.

Working with children is a rewarding, fun and diverse career and these certificates will prepare you for employment in the early childhood sector.

The Level 3 programme includes 60 hours of work placements and will help you gain the core skills and knowledge needed to participate in the education and care of infants, toddlers and young children in entry-level carer roles in a range of early childhood contexts.

The Level 4 programme includes 115 hours of work placements and will enable you to build on the skills and knowledge you developed at Level 3. You'll learn how to practice as an inclusive educator, promoting diversity and the place of Māori as tangata whenua.

Please note: If you meet the Level 4 entry requirements (see below), you can enter directly into that certificate. This six-month certificate starts in July every year. [Click here for the Level 4 only programme.](#)
