Already a registered midwife and looking for a way to extend your professional expertise?

This postgraduate programme is ideal as it is flexible, practice-focused and relevant. Undertake four courses of seven weeks each that focus on aspects of midwifery practice and critically analyse your own midwifery experiences as a means of adding depth to your knowledge base. Tailored to meet your individual needs, our online learning options enable you to study from home. Benefit from the support from experienced lecturers and the opportunity for networking while

gaining new skills.

A perfect springboard into further study, the Postgraduate Certificate allows you to start slowly and increase your qualifications as you go. Each programme contributes to the next so that four papers successfully completed in the Certificate mean you only need four more to achieve the [Postgraduate Diploma in Midwifery](#). Online learning resources may include PowerPoint presentations, worksheets, word documents, interactive web pages and links to relevant electronic documents or websites.
