This programme will teach you what is needed for diploma- and degree-level study. You will develop your academic reading and writing skills and an understanding of the research process. You will also build your computer skills, learn how to better manage your time and gain confidence by exploring your own personal learning style.

Successful completion of this Certificate will give you guaranteed entry into the:

- [New Zealand Diploma in Business \(Level 5\)](#) - available in Auckland or Dunedin
- [New Zealand Diploma in Tourism and Travel \(Level 5\)](#) - available in Dunedin
- [Bachelor of Applied Management](#) - available in Dunedin or Auckland

as long as you meet the stated English Language requirement for the specific programme.

Pathway options into the [Bachelor of Information Technology](#) and other Otago Polytechnic diploma and degrees are also available, again, as long as you meet the stated English Language requirements.

At our Auckland International Campus, this programme is offered by Future Skills Academy due to a sub-contract arrangement with Otago Polytechnic.
