Focus on the skills you need to work effectively and successfully in a range of operational roles in business.

All business organisations need highly capable and competent members of a team who demonstrate the potential to lead staff, ensure targets align with strategic objectives, manage projects, and contribute to business planning to achieve high performance and productivity.

This programme is very practical and, with courses such as Business Environment, Leadership and Organisational Planning, will give you the skills you need to make you a valued employee who can contribute from day one in an organisation.

A great springboard into further study, graduates of this programme are eligible to enter the second year of our [Bachelor of Applied Management degree](#). You could also enter other relevant industry or professional qualifications at Level 6 or above.
