Adventurous, friendly and enthusiastic? Enjoy meeting new people and keen to travel?

Then the tourism industry could be for you and this programme is the perfect first step to discovering that!

This hands-on certificate will give you a great understanding of the tourism and travel industry. At the same time, it's open entry (which means you don't need any previous academic qualifications) and provides a great taster of what studying at a Polytechnic is all about, preparing you for further diploma- or degree-level study.

You'll develop your process for researching, your computer skills and your time management skills - whilst gaining confidence through exploring your own personal learning style.

You'll gain the skills to deliver a quality visitor experience through your knowledge of tourism destinations and will also be able to provide excellent customer service and information advice, and contribute to the overall effectiveness of a tourism business.

Graduates will be able to work in a variety of roles in the tourism industry, in areas such as customer service and sales, and in frontline, attraction and activity positions.

Or, you may choose to continue with your study. By successfully completing this programme, you will have **guaranteed entry*** into the:

- [New Zealand Diploma in Tourism and Travel \(Level 5\)](#)
- [New Zealand Diploma in Business \(Level 5\)](#)
- [Bachelor of Applied Management](#).

*as long as you meet the stated English Language requirements.
